SKILL SET

Web-Based Programming Languages (Ex. JavaScript) * JS Frameworks (jQuery/React) * Mark-Up Languages (HTML/CSS) * CSS Frameworks (Bootstrap/Tailwind) * Object-Oriented-Programming (OOP) * Node Package Management (NPM) * Express * Browser Testing * Git Version Control * API Interactions * MySQL * MongoDB * Object-Relational-Mapping (ORM) * User Authentication * Model-View-Controller (MVC) * Progressive-Web-Apps (PWA) * MERN Stack * AJAX

PROJECTS

Elden Ring Build Manager

Full Stack Web Application | React, Node.js, MongoDB, GraphQL

- Designed and implemented an interactive app that helps players plan and optimize their builds in the video game Elden Ring.
- Built features for stat tracking, equipment management, and real-time stat calculations.
- Implemented nested MongoDB schemas, GraphQL queries/mutations, and dynamic React state updates.

EDUCATION & TRAINING

Rutgers University, New Brunswick, New Jersey

Rutgers Coding Bootcamp | GPA 3.7

Aug 2023 - Feb 2024

- Completed an intensive 24-week web development program covering full-stack development technologies.
- Developed proficiency in front-end and back-end technologies including JavaScript, HTML, CSS, Node.js, React.js, and MongoDB.
- Gained practical experience in building responsive web applications, working with databases, and utilizing industry-standard development tools.
- Collaborated with peers on team projects, fostering effective communications and teamwork skills.

Passaic County Community College, Paterson, New Jersey

Associate of Applied Science in Graphic Design

Fall 2017 - Fall 2020

- Completed a comprehensive program covering graphic design fundamentals, digital illustration, print design, web design basics, and typography.
- Developed proficiency in industry-standard software including Adobe Photoshop, Illustrator, and InDesign.

- Acquired skills in visual communication, including effectively conveying messages through visual elements and understanding target audiences.

Garret Morgan Academy, Paterson, New Jersey

High School Engineering Program

Fall 2013 - Spring 2017

WORK EXPERIENCE

Super Wine Warehouse, Paterson, New Jersey

Assistant Manager

2016 - present
